Name: Alan T. Cloutier, P.E. PTOE  
Candidate for Vice President

Business Address: Fay Spofford & Thorndike  
5 Burlington Woods  
Burlington, MA 01803

Business Title: Principal Engineer

Goals: The New England Section of ITE is an important organization and a valuable resource for our members. Between networking opportunities, information sharing and continuing education, NEITE provides many benefits to our members. Over the last few years, the executive board has emphasized attracting more young members into joining and increasing public sector attendance at NEITE events. I would like the opportunity to continue serving NEITE in a leadership position and continue serve the needs of our members.

Education: M.S., Civil Engineering, Northeastern University, 2003  
B.S., Civil Engineering, University of Massachusetts, Dartmouth, 1998

Work History: I have been a transportation engineer for fifteen years, having worked for multiple consulting forms. My work has involved a wide range of projects both for public agencies and private developments including studies, conceptual improvements and design plans.

Positions held for ITE:  
- Secretary, New England Section (2014)  
- Director, New England Section (2012-2013)  
- Continuing Education Committee, New England Section (Chair 2010 -2013, Vice Chair 2009)  
- Social Media, New England Section (created and manage Facebook page and LinkedIn group)

Professional Registrations:  
Registered Professional Engineer, Commonwealth of Massachusetts  
Registered Professional Engineer, State of Rhode Island  
Certified Professional Traffic Operations Engineer

Thank you for considering me for the position of Vice President.
