2015 Thomas E. Desjardins Golf Tournament

NEITE is proud to announce the 16th Annual Thomas E. Desjardins Golf Tournament on Wednesday June 3, 2015. This event funds the annual NEITE scholarships awarded to undergraduate and graduate students in the field of civil engineering. As usual, the tournament will be at Sandy Burr Country Club in Wayland, Massachusetts with a shotgun start at 9:00 AM (registration 8:30 AM). Following golf, we will have the traditional barbecue luncheon and prizes and super raffle.

A few words about Tom…
Tom Desjardins died young; however, during his shortened career Tom capably blended civil and traffic engineering. Tom was a workhorse who inspired officemates with his enthusiasm, attentiveness to seasoned engineers, instruction to young engineers, and support to the increasing number of female engineers. And Tom liked to play golf.

NEITE thanks those firms, companies, and individuals who have participated and sponsored this tournament for 15 years. This year, we need your support again. This year, please encourage women on your staff to join us. NEITE leadership includes Michelle Danila, our recent past president, and Rebecca Brown who is serving her third year on the Board of Directors. They invite some competition for the woman golfer prizes.

NEITE’s Emerging Professionals Committee
is lending a hand in our tournament organization. If you see Alex Lovejoy or Mike Fenley in the next month or so you will likely receive a personal invitation. We are working on networking through matching pairs of younger members with seasoned members of ITE. Actually, ITE membership is not a requirement and we will have reduced fees for entrants 25 or younger.

Just for fun
the tournament will include an optional challenge this year. With due respect to the good golfers among us, the traditional scramble format (best ball) will be overlaid with a Callaway scoring system. The Callaway system will shrink the range of scores and we’ll be throwing in a mulligan-like post-Callaway score-reducing point to anyone who is playing in the tournament for the first time. Your foursome will need to decide to play the challenge or the traditional format at the optional 7-iron only hole. Clearly, we will be doing some higher math to determine our winning Desjardins Challenge foursome. And not to worry, we will be recognizing the low gross score if you prefer the purer traditions of golf.

So much for the new wrinkles… Please see Page 2 for the registration form including the networking option. Page 3 highlights our raffle.

Thank you for your support
