

CALL FOR PRESENTERS

The Annual Meeting of the ITE Northeastern District will be May 10 – 12, 2017 at the Crystal Springs Spa and Resort in Vernon, NJ. The Technical Sessions Committee for the conference is presently soliciting technical presenters for the conference. All topics will be considered. In particular, we are seeking presentations covering the following topics:

- Vision Zero / Traffic Safety
- Smart Cities
- Connected Vehicle / Autonomous Vehicle Technology
- Trip Generation
- Sustainability / Resiliency
- Complete Streets
- Adaptive Traffic signals, transit priority, traffic control centers
-

The extended deadline schedule for consideration is as follows:

As soon as possible – email *notice of intent* to Gordon Meth gordon.meth@nv5.com

January 31, 2017 – email *title and 2-3 sentence abstract* to Gordon Meth gordon.meth@nv5.com

February 2, 2017 – speakers will be notified

March 1, 2017 – send presentation to Gordon Meth gordon.meth@nv5.com

Mere interest in giving a presentation will not guarantee a chance to present. Anyone abiding by the above schedule will be given first priority at presenting. Others will be considered on a space permitting basis. The selection of presenters will be based on a review of abstracts by a committee, and it will depend on the appropriateness and interest in the topic.
