

CITY ENGINEER

City of Concord, NH

The City of Concord is seeking a high-energy, vibrant, engaging individual to serve as its City Engineer. This individual will have a significant role in shaping the future of New Hampshire's award-winning capital city through the planning, design, and management of a robust capital improvement program. The City Engineer holds a very prominent position in the City organization and oversees a dynamic team with both private and public project design and oversight, traffic engineering, GIS, and surveying responsibilities. The selected City Engineer must have the ability to effectively make engaging presentations to elected and appointed officials and the general public to secure project buy-in. A successful City Engineer will instinctively understand the value of working with City Council, Administration, residents and stakeholders to implement projects that not only function from an engineering perspective, but also serve the community's best interest. The ability to collegially and patiently work with people from all backgrounds toward a common goal is an absolute must. Proven project and personnel management skills are essential. The City of Concord is poised to accomplish great things and the City Engineer is critical to that outcome.

The City offers a very competitive total compensation package. Benefits include Medical, Dental, Life Insurance, Long and Short Term Disability Insurance, Flexible Spending Account (FSA), Dependent Care Reimbursement Account, Annual Leave, 12 Paid Holidays, Sick Time, Retirement, Optional 457 Plans and Wellness Program. Medical benefits start the first of the month after 30 days and deductibles are as low as \$250 per person with the employee paying as little as 10% of the premium.

Salary Range: \$79,643 to \$112,528

Closing Date: Open until filled with 1st review December 8, 2017

Instructions for Applying: A City Application is required. An application may be completed online and submitted electronically by visiting the City of Concord web site at www.concordnh.gov. For more information on applying, call (603) 225-8535 (voice) or TTY at 800-735-2964 or 7-1-1.
