in Conjunction with

NH DEPARTMENT OF TRANSPORTATION

PROUDLY BRING YOU

Driving us into the Future

A Discussion on the Current State of Connected and Autonomous Vehicles (CAV)

TUESDAY MARCH 20th, 2018

NHDOT Room 114

J.O.Morton Building

7 Hazen Drive Concord, NH

The role of CAV's in our society is changing on a daily basis and the role they will play in our future transportation system is not well understood. Yet we, as professionals, are constantly being asked how this will affect our infrastructure in the future. This all-day event is meant to stimulate the discussion about the future of connected and autonomous vehicles in our lives and more importantly on our roadways. The event will provide attendees with a better understanding of the topics presented, but is really designed as a brainstorming session to begin the sharing of ideas and thoughts and act as a gateway to future workshops and discussions on this subject.

Program:	8:50 – 9:20 AM	Registration
	9:20 – 9:30 AM	Welcome Address
	9:30 – 10:30 AM	“The Emerging World of CV and AV”
