Job Opening

Planning Coordinator I/II – VT Agency of Transportation
The Policy, Planning and Research Bureau of the Vermont Agency of Transportation (VTrans) has an exciting opportunity in Barre, VT for an entry level (Planning Coordinator I) or experienced transportation planning professional (Planning Coordinator II) accustomed to working in a fast-paced environment that encourages innovation. You will work collaboratively with colleagues at VTrans, and other state, regional and municipal agencies to create and evaluate policy options and prepare planning documents that inform Agency investments, activities and legislation. You must have a Masters or Bachelor’s Degree in transportation planning, engineering or a related field, must demonstrate knowledge of transportation planning principles, practices and theory, and have the ability to work collaboratively and communicate effectively, both orally and in writing, with a wide variety of audiences. This position is being recruited at multiple levels e.g. Planning Coordinator I and II.
