MAITE is hosting a Capstone night for students to present on their progress for their capstone project.

We're looking for students (and professionals if they would like!) to present their capstone projects or transportation topics of their choice. Presentations should be brief (approximately 10 minutes in length) and professionals will be in attendance to ask questions and provide feedback.

Appetizers and beverages will be provided!

Please RSVP by Monday, March 9, 2020

We look forward to seeing you there!

**Students - Free | Professionals - Free for MAITE members
\$10 for non-MAITE members/includes 2020 MAITE membership**
